

Chuck Clark

Senior Vice President of Operations, Parkview North and Executive Director, Parkview Behavioral Health

Chuck Clark serves as Senior Vice President of Operations at the Parkview North campus and is Executive Director of Parkview Behavioral Health, a 107 bed psychiatric hospital. Clark previously served as Director of Business Development at Parkview Behavioral Health from 1996-2003. He then moved to Howard Regional Health System in Kokomo as Director of Business Operations and later as Vice President of Behavioral Services. While at Howard Regional Health System, he served on the DMHA Advisory Council, Governor's Commission on Mental Health, and in 2007 was named NAMI Professional of the Year. Clark has an MBA from Indiana Wesleyan University.

Chuck is a new member of the Family & Children's Services Board of Directors. Chuck also serves on the Indiana Behavioral Health Quality Subcommittee, the Better Business Bureau Board of Directors, and the Leadership of Fort Wayne Board of Directors. Chuck's interest in serving on the Family & Children's Services Board is to do his part to help the lives of families and children in our community.
